An earlier fundraising campaign has successfully resulted in the completion of Kade's Playground, the first fully accessible playground in Jefferson County. Kade's Playground provides a place where all children (with and without disabilities) can play side by side, a place where children can build confidence, strengthen muscles, exercise and foster friendships. Fundraising is now underway for the construction of the companion feature for the playground, the Bay of Naples Splash Zone. This auction/dinner is in support of the Splash Zone, so we are reaching out to everyone for help. The planning committee is seeking donations of auction items, cash donations, gift cards, etc.

All donations are extremely helpful and appreciated.
